

## GOVERNMENT CONTRACT SUPPORT

### CORE SERVICES:

ZPM provides contract management consulting for government and federally funded projects. Our services are scalable from **focused consultation on single issues to full contract administration and modification support.**

Each engagement is tailored to project complexity, agency requirements, and client goals.

#### > **Contract Interpretation & Compliance**

Provide practical guidance on contract requirements, obligations, and performance standards.

#### > **Equitable Adjustments**

Support preparation and evaluation of change orders, and requests for equitable adjustments.

#### > **Schedule & Claims Support**

Review and develop Time Impact Analyses. Scalable forensic schedule reviews to evaluate delay and disruption events.

Develop defensible documentation for claims, extensions of time, and dispute resolution.

#### > **Risk & Reporting Support**

Identify and mitigate potential project or contractual risks before they escalate.

Prepare clear, concise reports that meet government communication and documentation standards.

**Zillark Project Management, Inc.**  
*helps government agencies, prime contractors, and small businesses navigate the complexities of federal projects with clarity and compliance.*
