

CORE SERVICES:

ZPM's project management support is adaptable to projects of any size or delivery type. Services can be scaled from targeted performance reviews and health checks to full integration of cost and schedule controls across the program.

> Program & Budget Alignment

Align goals, scope, cost and schedule baselines.

> Schedule Review & Health Checks

Maintain accuracy through regular updates and performance checks.

> Risk Identification & Mitigation Planning

Identify potential impacts early and act before issues escalate.

> Cost Monitoring & Forecasting

Track expenditures, evaluate variances, and forecast project outcomes.

> Performance Metrics & Tracking

Measure schedule, cost, and quality performance against contract requirements.

> Contract & Change Management

Evaluate scope changes and negotiate fair adjustments. Maintain clarity, compliance, and control through consistent documentation

> Claims Advisory

Provide early analysis of potential claims and support fair resolution strategies.

> Project Closeout Coordination

Ensure contract deliverables and documentation are complete and accurate.
